WORK EXPERIENCE

Aventuras en la Patagonia

Tour Guide and English-Spanish Translator

01/2023 - Presente
Punta Arenas, Chile

- Family-run horseback riding activity, occasionally I've helped with administrative tasks, performing tour guide and English-Spanish translation services

CIM Glass

Freelance Developer

05/2025 - 06/2025
Punta Arenas, Chile

- Took requirements, understanding the workflow and needs of the client
- Developed a web application to manage sales, rentals and maintenance of chemical toilets and related products

Municipality of Punta Arenas

Professional Practice

01/2025 - 03/2025
Punta Arenas, Chile

- Took requirements and designed a mockup for an internal project focused on taking requests for repairs of municipal assets and properties
- Assisted in gathering requirements for Municipal Tourism Systems and Intranet
- Acquired practical knowledge in the process of preparing public tenders

Sernapesca

Intermediate Practice

11/2023 - 01/2024
Punta Arenas, Chile

- Handled and resolved tickets/incidents using OsTickets
- Developed web modules for "Mi Caleta", updating dependencies, fixing errors and bugs, as well as testing new features
- Wrote a remote connection guide using Fortinet for Linux and Windows users
- Participated in Daily Scrums and work meetings with suppliers

SOFT SKILLS

Continuous learning

I consistently adopt new technologies as project needs evolve and apply them quickly.

Communication and collaboration

I align requirements, coordinate with the team, and communicate progress clearly.

Ownership

I demonstrate proactivity and autonomy, assuming responsibility for tasks from definition to delivery and validation.

Resilience

I stay focused and adjust plans when requirements change or blockers appear.

Requirements gathering

I identify needs, constraints, and priorities with users and stakeholders.

Problem solving

I diagnose root causes, propose options, and deliver measurable solutions.
